Chris Kidney, Sunny Corner

I am currently the Industrial Sales manager of Sunny Corner Sales and Equipment and have held this position for the last 10 years. I was fortunate to have our company get involved in IDI (Independent Distributors Incorporated), it consists of 100+ private companies across Canada. I served as Chairman of the Board in 2015/16 and am now finishing my 6 year term. I belong to the Chatham Rotary Club, treasurer for the Miramichi Chamber of Commerce and have co-chaired the Miramichi Relay for Life for the last 9 years. I would love the opportunity to serve on the CANB-Moncton Northeast Board to work for and with the membership.
